The Rocky Trail MTB Grand Prix is back at Mt Stromlo on 20 November and we have added an 8 Hour racing option to the traditional 4 Hour event to keep things interesting! Last year we had a lot of beginner racers come along as well, who really enjoyed the relaxed race atmosphere. This year again we will make sure that the tracks selected are interesting and exciting for the seasoned riders, as well as doable and, most importantly, enjoyable for newbies. Come out for a day of pure racing fun – this is the final round of the MTB Grand Prix Series and the Rocky Trail event centre will be buzzing with music and commentating action, hearty food, coffees & energy drinks will be on offer, and thanks to series supporters there will be heaps of prizes too!

Racing categories offered are for male, female, mixed (if appl.): Solo, Pairs, Teams of 3, as well as Junior Teams of 3.
